Role-play

1

A: Hey! WYD on Saturday?

B: Nothing special. WBU?

A: I'm thinking about going to the new café downtown.

B: Oh, I saw it online. It looks nice, NGL.

A: Right? Everyone is posting about it. I have serious FOMO.

B: LOL, same here. What time?

A: Maybe 4 p.m. Are you free?

B: Yes, I am. But LMK if you change the plan.

A: Sure. I'll send you a DM later.

B: Great. Should we invite Anna too?

A: Yes! I think she would love it, TBH.

B: Perfect. See you Saturday!

2

A: Hey, are you ready for the meeting?

B: Not really, TBH. I'm still checking the report.

A: Same. The numbers are a little confusing, NGL.

B: IKR! I don't understand page three.

A: FYI, Mark changed some data yesterday.

B: Oh, that explains it. TMI in one report!

A: LOL, yes. Do you think the manager will ask about it?

B: Maybe. But IMHO, we can explain it simply.

A: Good idea. Are you joining from home or the office?

B: From home. IRL meetings are too much today.

A: Same here. The call starts in five minutes.

B: Okay, BRB. I need coffee first.

Role-play

3

A: Did you see Emma's video on TikTok?
B: No, I didn't. What happened?
A: It got 50,000 views in one day!
B: OMG, that's amazing!
A: I know! She was so happy.
B: Send it to me, please.
A: Sure, I'll DM you the link.
B: Thanks. Is it funny?
A: Yes, but it's also a little embarrassing, JK.
B: Haha, poor Emma!
A: She said, "IYKYK" in the caption.
B: Now I really need to watch it.

4

A: Hey, are you free for lunch today?
B: Yes, but I have a call at 1 p.m.
A: No problem. We can go at 12.
B: Bet. Where do you want to go?
A: Maybe the Italian restaurant near the office.
B: Sounds good. What about Julia?
A: She said she's busy RN.
B: Okay. Should we order instead?
A: Maybe. The restaurant is usually crowded.
B: True. ATP, ordering is easier.
A: Great. I'll check the menu and LMK.
B: Thanks! I'm AFK for ten minutes, but I'll answer soon.
